

## 2022-2023 Pre-K Registration

Registration for Pre-Kindergarten will be **by appointment** on **March 3rd** and **March 4th, 2022** at all elementary schools in Dickenson County. Please contact Deirdre Deel, Preschool Coordinator at 926-4643 to obtain an application packet and to schedule an appointment to register a child for the voluntary four-year-old program (PreK). All parents of four-year-olds, regardless of income or developmental skills are encouraged to apply during this time of registration since enrollment will be limited to eighteen students per class.

Children must reach their fourth birthday on or before September 30, 2022, in order to be eligible for the program. All students are required to have a physical examination, and be up-to-date on immunizations. Parents should bring the child's birth certificate, social security card (optional), immunization record, proof of household income (paystub, tax returns, social security/unemployment statement, etc.), documentation of physical address (utility bill or mortgage/rent statement), and the completed application packet to their scheduled appointment.
