The Dickenson County Public Schools Parent Portal is an optional but beneficial tool for the primary guardian to access their child's/children's grades, attendance, and assignments online at their convenience. The DCPS Parent Portal can be accessed in one of the following ways:

1. Under the *Quick Links* section on the DCPS website at <http://www.dcps.k12.va.us/>
2. Navigating the website: <https://dcpsva.powerschool.com/public>
3. Downloading the mobile app *PowerSchool Mobile* (Note: Some information may not be accessible on the mobile version)

We encourage every parent/guardian to sign up for this tool so that you and your child/children have knowledge of assignments, attendance, and grades as they are made available by our staff members into Tyler SIS.

To sign up for the Parent Portal, please fill out this form and return it to your child's school or mail to the address listed above to the attention of Kevin Minion.
